

Subject: New remote control kit PN: P30120

Date: 7. Nov. 2007

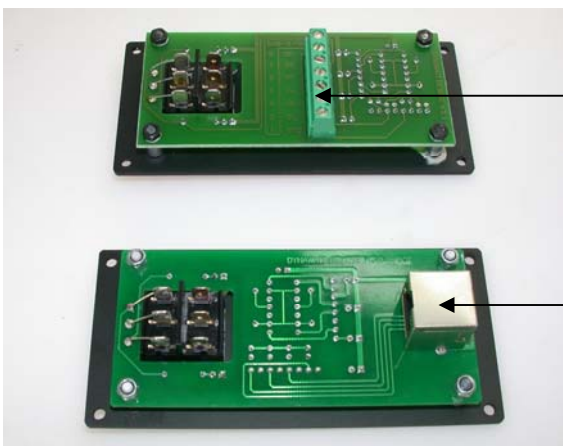

The new remote control kit will be available immediately. We have changed the connector clamp on the back side of the remote control to a RJ45 connector.

This will allow to use any standard shielded RJ45 cable to connect the remote control to the control unit. This kit will fit all units. We did not change to SUB D9 connector on the control unit. A special adapter SUB D9 – RJ45 will be supplied with the remote kit including as 7m long RJ45 cable.

New Kit P30120 includes

- 1x P30115 panel
- 1x P30115-70 cable 7m
- 1x P30118 adapter

P30114 Panel with cable clamp
